

PARKING REGISTRATION

If you wish to purchase a parking permit for the 2009-10 school year, please complete the form below and return with a \$100.00 registration fee by Thursday, July 9, 2009. (Your check should be made payable to Incarnate Word Academy.)

Parking on campus is limited, and we would like to accommodate as many students with as possible. Therefore, priority for parking spaces will be given to seniors with car pools who get their application in quickly. We will then look at juniors with car pools who also get their applications in quickly.

Only one member of the car pool should submit an application. Car identification information should be included for any member of the car pool who may drive during the school year. If you are sharing a space, make sure you have worked out an agreement to everyone's satisfaction. **The chances of getting another spot after school starts are almost nonexistent.** If you list students as car pool members that are not really in your car pool, your application will be put at the bottom of the pile. Make sure your list of car poolers is accurate.

Parking tags will be distributed at registration. If you are sharing a spot, we can give you two parking tags. If you lose your tag, please come and see Mr. Johnson. If we can not fulfill your request for a space, your check will be returned at registration.
